Summary of Action

1. On September 25, 1997, the Commission adopted a *Second Report and Order and Further Notice of Proposed Rule Making*, 62 FR 55348, October 24, 1997 ("Second Report and Order") which established January 15, 1998 as the deadline for broadband Personal Communications Services (PCS) C block licensees to elect to continue under the existing installment payment plan or to elect one of the three alternative payment options. On January 7, 1998, we changed that election date to February 26, 1998 in order to allow us time to respond to petitions seeking reconsideration of the *Second Report and Order*. See *Order*, 63 FR 2170, January 14, 1998. In the *Order*, we stated that "[m]oving the election date will serve the public interest by

permitting licensees to submit their election after final disposition of arguments raised on reconsideration."

2. Although we initially believed a February 26 election date would provide us sufficient time to respond to the arguments raised by petitioners, we now find it will take additional time to consider the numerous and wide-ranging issues involved. In their joint petition for reconsideration, Northern Michigan PCS Consortium L.L.C. and Wireless 2000, Inc. request that we extend the election deadline to a date that is 60 days after issuance of the reconsideration order. We agree with these petitioners that 60 days would provide licensees an adequate review period. Accordingly, we will move the election date for C block licensees to 60 days after publication of our forthcoming *Order on Reconsideration* in the **Federal Register**.

3. In order to provide licensees adequate time between the election date and the resumption of payment deadline, we will move the March 31, 1998 payment deadline for both C and F block licensees to a date that is at least 30 days after the revised election date. To avoid any potential confusion, the specific dates for election and payment resumption will be set forth in a public notice issued under delegated authority by the Wireless Telecommunications Bureau.

4. Accordingly, *It Is Ordered* that, pursuant to sections 4(i), 303(r), and 309(j) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), 303(r), and 309(j), the election deadline for C block licensees and the March 31, 1998 payment deadline for C and F block licensees are extended as specified herein and the petition for reconsideration filed by Northern Michigan PCS Consortium L.L.C. and Wireless 2000, Inc. is hereby *Granted in Part*. This Order shall become effective upon its release. See 5 U.S.C. 553(d)(1).
